

My SAP map project on Victoria Road

About my area

Use this space to write some interesting pieces of information on the history of your area. You can also use Google to source new information.

You might want to talk about:

- When the houses were built
- How long you have lived there
- What style of house are they i.e. semi-detached

Here you might want to discuss the most interesting statistics about your area that you found while browsing through the SAP map.

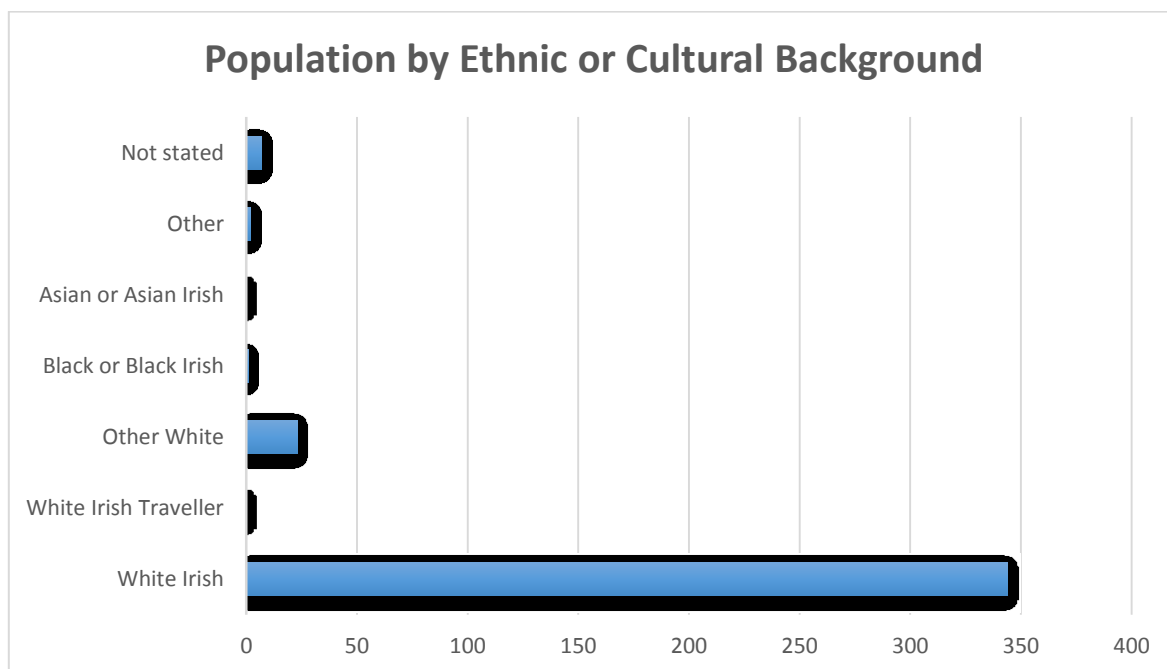

You might want to talk about:

- The male/female ratio
- The population by religion
- Population highest level of education completed

Test your classmates

Here you should include a number of the different charts you have made and create questions to test your classmates.

Example

Questions you may want to ask

1. How many Black or Black Irish live in my area?
2. In my area, how many people are there that are not of White Irish background?
3. How might people of different backgrounds end up living in my area?
